Putting the Boot to Prosperity

Some Take Vacations, Others Don't Enjoy Their 'River' Travel

Uke Tells off On Candidates Who Didn't Win

The candidates have taken a trip up Salt River — some of them, anyway. The captain of the cruise was Bill Thorn. Dinner was cooked by Jim Williams and Levi Beasley. The waiters were Howard Edwards, Arthur Darnall and Tot Jackson.

Eldridge Darnall helped prepare the menu. There was also a preaching service on the boat, with Jim Lee Wyatt as the leader. The song was "In the Sweet By and By."

Jim Barnes gave the farewell sermon. Bogue Edwards called the roll and the other defeated candidates answered up. Jack Edwards dismissed the crowd after the cruise and many departed saying: "Well

be seeing you again four years from now—on a more pleasant cruise, we hope...up Victory River."

TRIBUNE GETS ANOTHER NEW RURAL WRITER

Dear Editor: This is my first time to write to your paper. I do not take the paper but I enjoy reading it every week at the home of a friend. I sure do hope this misses the waste basket—and if it does break into print I'll try and send the Palestine news every week.

PALESTINE: If the editor prints this news from Palestine I'll try to write regularly.

PETITION FILED FOR BUILDING OF NEW BOAT BASIN

Construction To Be Near Kentucky Dam

W. PREWITT Lackey of Paducah, on behalf of the Kentucky Dam Boat Basin Company, Inc., has applied to the Corps of Engineers of the U. S. Army for a permit authorizing the construction of a recreational boat basin in the left bank of the Tennessee River near Kentucky Dam.

The facilities will consist of two floating units, with the longer float divided into two sections to include storage and repair shop and a sales room. A catwalk to the barges will be floated on 55 gallon oil drums.

The lounge section of the structure will be insulated. The entire dock will have a 7-foot walkway across the water side.

Briensburg:

FOLKS REALLY TURN OUT TO HEAR RETURNS

By Margaret Chandler

As I try to think of something to start this week's column with, my mind goes back to the election. Although it's all over and the candidates all know how they stand, about all I could hear today was how many votes did you lose? I guess most every one lost a few. I think most every one from Marshall County was on hand at Benton Saturday night to get the late reports.

Briensburg was well represented; at least I didn't miss any one. Even some of the older ones and of course the younger ones were enjoying themselves. It was kinda sleepy looking bunch of people that came into church Sunday after being up till about 1:00 o'clock Sunday morning, but after all this only happens once every four years.

I would like to congratulate the winners of all the county offices, and to those who lost, well, I think they need congratulating too, because some of them were right in there till the very last. Perhaps some of the candidates who lost this time will have the courage to try again and be successful after another four years.

This has been a rather long campaign and some of the candidates started out pretty early this year, and I'm kinda wondering what will take the place of political advertisements and candidates' pictures but I know whatever the Tribune finds it will be good. Well, I guess this is enough of that, so I'll try to add a bit of news.

I would like to add some more nice people as readers of this column: Mrs. Clois Myre, Lorene Hubbs and Betty Rayburn of Benton. Also Mrs. Artemus Pace of Benton Rt. 6.

A large crowd attended the funeral and burial of Mrs. Georgia Clark English here last Thursday.

Mrs. Willie Mobley and children, Ronnie and Fannie, of Detroit, are visiting friends and relatives here this week.

The Rev. T. L. Campbell will begin a revival meeting at the Bethlehem Baptist Church on Wednesday night of this week.

The Rev. L. R. Fieldson will lead the singing, in his absence next Sunday the Rev. Dewey Smith of Mayfield will bring the message at the 11 o'clock service.

Mr. and Mrs. Charlie Drafen of Benton Route 7 are visiting relatives in Detroit.

Curtis Lee Grace returned home Saturday after spending a few days with Mr. and Mrs. George Housney and family of Bernie, Missouri.

Mr. and Mrs. Thomas O'Daniel of California are visiting their parents and other relatives in the county.

Mr. and Mrs. Charles Tatum left Sunday for Berea, Kentucky to reside, where Mr. Tatum is employed.

DETAILS SOUGHT ABOUT COUNTY'S WAR II DEAD

Names to be Inscribed on Coliseum Plaque

THE NAMES of Marshall County war dead are to be inscribed on a memorial plaque at the Memorial Coliseum being built at the University of Kentucky.

Several weeks ago information blanks were sent to the relatives of deceased soldiers and sailors to get the required data for use on the plaque. Elmer G. Brien, local service officer of the American Legion, assisted many families in filling out the forms.

LETTERS were received this week by the Tribune-Democrat and Mr. Brien stating that information about 15 of the county's war dead have not been submitted. Families of the following boys are being asked again to contact Mr. Brien or to write to "Kentucky War Memorial Survey, University of Kentucky Library, Lexington 29, Kentucky," to get blanks: Everett A. Allen, Harvey E. Ashley, Albert E. Copeland, Robert T. Cothron, Chester E. English, William J. Foust, John W. Gregory, Keith N. Hobgood, Allen L. English, Leon King, Noah D. Mason, Clayton M. Perry, Clifford E. Preston, and Roy Thompson.

Sharpe:

By Iva Campben

Hello, everybody! Maybe there will be more room for news other than the election, now that it's over. I even wish that all candidates could have won some kind of reward for all their efforts, but some had to be on the losing side—even more than could win.

Congratulations to all those who were lucky in the race.

I wish to compliment our Tribune-Democrat for doing such a splendid, impartial job of publishing the wishes, promises and announcements of those seeking office.

Those Concrete Steps Are Hard

Bettie Hobgood
Yep, here I am again after so long a time. And I am sure most of you would be just as happy (or even happier) if I didn't write at all. But maybe some of you will read these poor attempts at writing.

Concrete's Hard
Election Day has come and gone again. A friend of mine, Mary Ann Horton, and I passed out candidate cards for the new sheriff at the polls on election day. Part of the day all of us who handed out cards sat on the concrete steps by the Calvert Bank. And believe me, that concrete was the HARDEST concrete that I ever sat on in my entire life.

But the rest of the day we just stood around on our aching feet. We like to fool ourselves into thinking we had a part in getting OUR candidate elected. That keeps our feet from aching quite so much.

"But It's A Wreck"
Someone is always telling a bright remark made by some child. And I would like to add this to the list:

Mrs. Albert Harrell, a neighbor, has two children—Judy, age 6, and Wayne, age 9. The other day they were engaged in one of their favorite past-times—drawing pictures. Wayne drew the picture of a car. Judy passed judgement on it, and not to be outdone drew her own version of a car. She showed it to Wayne, who commented: "That doesn't look much like a car to me."

"Oh," Judy hastened to explain. "But mine is a picture of a wrecked car."

—* * *

School Days Soon
It doesn't seem possible that it's only a few weeks till school starts. The inevitable remark is being heard everywhere: "This year I am really going to study hard."

Calvert loses one of its high school teachers this year—Lucien Cornwell, who is to be principal at Brewers. But it gains Mrs. Alpha Stice, who taught the 7th and 8th grades here last term.

Well, I guess that's about all for this week. I'll be back again soon, though.

What is it worth to You...

WHEN YOU WANT TO:

Run an errand downtown
Call a doctor
Chat with friends
Reach someone in a hurry

The true value of your telephone can be measured only in the many different ways it serves you—in the convenience and pleasure it adds to daily life.

Your telephone service is increasing in value day by day as the number of friends and relatives you can call keeps growing larger, and service becomes faster and better.

Yet the cost is low. Low in comparison to most other things you buy. Low in comparison to our costs of supplying service. Your telephone is at your service twenty-four hours every day—for only a few cents a day.

When you stop to think how much it does for you, at the price you pay, telephone service stands out as one of today's biggest bargains.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

A STRANGE THING ABOUT INCOME TAX

A strange thing about income tax is that some business enterprises making BIG profits do not have to pay it.

Salaried people have their income tax taken right out of their paychecks in advance. Business men and farmers and doctors and everybody else have to pay income tax before they do anything else with their money.

But certain favored commercial corporations—such as co-operatives, government businesses, so-called "trusts" and others are permitted to escape all or a major portion of the profits they make from commercial operations. Even some colleges and universities own and operate factories, stores, office buildings and

what-not-for-profit on which profits they pay little or no federal income tax. This has been going on for years. Too long, in fact.

It is estimated by tax experts that ONE BILLION DOLLARS in federal income taxes are LOST to the federal treasury as a result of exemptions and loopholes permitting these commercial enterprises to avoid all or most of their income tax liability for the support of our government.

That same billion dollars is added every year onto the amount that the rest of us must pay to make up this difference. And income taxes are higher because others do not have to pay.

Co-ops, alone, do an estimated 17 billion dollars worth of commercial business every year on which they are able to avoid the greater part of federal income taxes on a billion in profits. Other tax-exempt businesses are comparable.

The Congress is out looking for four billions more in federal revenue. Plans are made to load that extra burden onto present income taxpayers. Every taxpayer should DEMAND that the Congress TAX THE UNTAXED FIRST before increasing income taxes on the rest of us. Write—telephone—wire or see your Congressman. Tell him to TAX THE UNTAXED FIRST.

ALL BUSINESS SHOULD PAY INCOME TAXES ON THE SAME BASIS

Your Congressman wants to know how you feel about increased income taxes at this time. He will reply to your request that he vote to TAX THE UNTAXED FIRST. Write him NOW.

PAUL BLAGG DESIGNATED 4-H MEDAL CAMPER

Paul Blagg was the only Marshall Countian designated a "medal camper" last week at the 4-H Camp at Murray State College, which was attended by 15 girls and 7 boys from this county.

Nine were named "star campers." They are Jonda Greenfield, Shirley Ann Jones, Beth Gold, June Gatlin, Ruby Nelle Clark, Mary Ann Cope, Barbara Shemwell, Jimmie Cathey, and Junior Shemwell.

The truth only hurts some people when others know it.
